Dangerous Power

Attn: Service

15350 E. Valley Blvd.

City of Industry, CA 91746

* Warranty Issue claim will be inspected, diagnosed and determined by our service techs. Any marker determined to have voided warranty will be charged the standard warranty fee plus the cost of parts.

** Warranty Replacement markers must be authorized by a Dangerous Power Service Manager. The marker will be inspected by our service techs and manager to determine the whether replacement will be authorized.

ATTN: All markers returned to Dangerous Power will be subjected to a minimum service charge of \$15, unless specified otherwise. Parts and additional servicing fees will apply to all products not under warranty. Please check parts list online for pricing.
